

Get to Know Your Basin

27 October 2023 9:30 – 11:30 am
PA Boulevard Industrial Complex.
[Google Maps address.](#)

Stormwater basin retrofits and naturalization are popular projects to support stormwater pollution reduction plans.

Join us, at a recently modified basin for an informal (drop by anytime) discussion of the approach.

Basin features and function, good housekeeping principles, project funding and maintenance will all be discussed.

Morning refreshments provided. Please register **[HERE.](#)**

Financial and other support for this project is provided by the Pennsylvania Association of Conservation Districts, Inc. through a grant from the Department of Environmental Protection under Section 319 of the Clean Water Act, administered by the U.S. Environmental Protection Agency.
